Order entered: 9/23/2010

I. INTRODUCTION

This case involves an application filed by Chris Pazandak ("Applicant"), on August 10, 2010, requesting a certificate of public good ("CPG"), pursuant to 30 V.S.A. §§ 219a and 248 and Vermont Public Service Board ("Board") Rule 5.100, for a net metering system. The net metering system consists of a photovoltaic system.

Notice of the application has been sent to all parties as specified in the Board's Rule 5.100. The notice stated that any party wishing to submit comments or request a hearing in this matter needed to file comments with the Board within thirty (30) working days of the date that the notice of the application was sent.

No comments have been received from any other parties or interested persons.

The Board has reviewed the application and accompanying documents and agrees that, pursuant to 30 V.S.A. §§ 219a and 248 and the Board's Rule 5.100, a CPG should be issued without further investigation or hearing.

II. FINDINGS

Based upon the application and its accompanying documents, the Board makes the following findings in this matter.

1. The proposed net metering project will be on property owned by the Applicant and located at 550 Hollow View Road in Stowe, Vermont. Application at Section 1.
2. The proposed net metering facility is to be erected on a new structure. Application at Section 4.
3. The proposed project consists of a photovoltaic electrical generation system with a system-rated output of 7.182 kW AC. The facility will be interconnected with the Town of
